Sports & Cultural Club, in the community centre at Noida, Sector 15A, now boasts of an Australian-made, pickleball court for its members.

This ITF-certified, cutting-edge acrylic surface stands out for its exceptional durability and advanced force reduction technology. Engineered for long-term performance, the surface is UV-stable, resistant to all weather conditions and energy-efficient, making it suitable for both indoor and outdoor play.

For this prestigious project, Altius Sports provided a comprehensive, end-to-end solution. Our services began with the construction of base followed by the installation of our premium acrylic playing surface. We also supplied and installed the pickleball nets and poles, ensuring that the facility was fully equipped and ready for immediate use by the members of the club.

Our in-house engineers, installers and design team has the correct surface for all your sporting needs – basketball, tennis, athletics, football, cricket or hockey and more. Be it sport, leisure or landscape, we are here to share our love of the sport!
